

## Welcome to Term 4!

### Welcome to the Gympie Gymnastics Club newsletter!

We are trialling a monthly newsletter as an additional form of communication to keep our gym community updated on what is happening at the Club.

### Have you heard that Gympie Gymnastics Club are working towards a brand-new Gym Facility?

We are delighted to now share with our gym community that we are in the early development stages with the relevant contractors to keep moving forward with our plans on this exciting new facility!

Gympie Gymnastics Club would like to acknowledge the generous support we have received from the *Gympie Regional Council*. As we were successful in receiving funds from the 2022/2023 Community Grants - Community Facilities. This grant enabled the Club to get our development plans in place and start this exciting process of our new facility.

## A word from Head Coach Teagan

Over the holidays we had our Level 4 - 6 WAG girls compete at the WAG Junior State Championships and Regional Team Challenge. The girls had a successful competition, performing some fantastic routines over the 5 day event.

For the six level 4 girls this was their very first Junior State Championships. They thoroughly enjoyed their experience and even got to meet Olympian Ruby Pass at the beginning of their presentation ceremony.

- Summer McIntosh placed 3rd on Floor in the L5 u13 division.
- Emily Papamanolis placed 6th Beam/4th Floor/5th AA in the L5 u12 Division
- Hayley Gray placed 5th on floor in the L6 Open division
- Isabella Nayler placed 4th Beam in the L6 Open division

And to finish off the competition we had Emily compete on the Sunshine Coast L5 regional team with her team placing 5th and Hayley representing Sunshine Coast in the L6 Team placing 4th.

The girls are looking at spending time on their upgrades now the competition season is over and enjoying preparing for the 2025 season.
